

PENINSULAR ENGINES

the power you need now

the 400 series from Peninsular 400TAI

340 Horsepower Turbocharged Marine Diesel

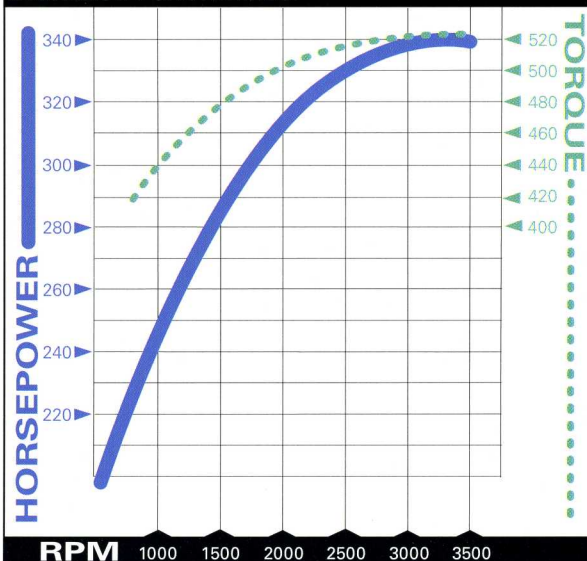

◀ Equipment listing

The 400TAI, rated at 340BHP supplies the extra power that makes the difference when the throttle goes down. A high output fuel injection system matched with the turbo air flow delivers unprecedented diesel power, outperforming many others. You'll love this top performing engine intended for pleasure craft applications.
